"We will increase instructional intensity in all classrooms through the use of Idaho Core Standards and by incorporating 21st century strategies to improve academic achievement and demonstrate growth for all students."

Harassment, Bullying & Discrimination Notice

The Minidoka County School District does not tolerate discrimination or bullying of any kind, especially such actions focused on students with disabilities. To ensure that violations of **Policy 502.00 Prohibition of Bullying, Harassment & Discrimination** are reported and dealt with in an appropriate manner, the district will annually share this notice with all students and parents.

Any student, and/or parents of a student, who believe the student is being harassed, hazed, intimidated, coerced, bullied, or discriminated against should immediately report the situation to school personnel, particularly if the actions are in relation to a disability. Such a report should also be made if any type of bullying or harassment is witnessed by a student or parent.

Examples of such behavior are making fun of a student's disability, making inappropriate remarks or texts about a student with a disability, or mimicking a student's disability. Such actions will result in discipline up to and including suspension or expulsion.

To report an incident of discrimination please contact the appropriate building administrator or the Superintendent as listed below. To file a written report please provide the information outlined in the **Policy 502.00F Harassment, Bullying & Discrimination Report Form**, (which can be obtained from any building office or on the district website) or in a letter containing the same information, to either the Superintendent or the appropriate building administrator.
